

## *In Celebration of the Orcutt Union School District... A Dedicated Staff \* Where Kids Come First*

As Dr. Blow shared at Convocation, OUSD staff members are invited to submit stories of fellow employees who we see putting kids first. We are excited to feature wonderful stories of how our teachers and staff members put kids first every day.

If you would like to share a story, please submit a short summary along with a picture at the Google form link below. The summary and picture will be featured on our district webpage as well as our district Facebook page.

Please remember that we are not permitted to use recognizable pictures of students or put their names on social media. A little tip – you don't always have to show a person's face to tell a story. A poster, a bulletin board, a piece of art, children's hands, a teacher teaching with children facing the teacher and not the camera, etc. show powerful messages too.

Let's start celebrating! [Click here to access the form](#) to submit your story.

You will need to be logged into your OUSD Google account to complete the form. If you need assistance accessing your Google account, send a tech ticket to our tech department: <https://help.orcuttschools.net/helpdesk>.

If you have any questions, please contact Janet Bertoldi (805 938-8931 or [jbertoldi@orcutt-schools.net](mailto:jbertoldi@orcutt-schools.net)).

Thank you! We look forward to sharing the wonderful stories of our dedicated staff!
