

OAHS Early College Cadre Information

Update as of January 28, 2022

Orcutt Academy High School and Allan Hancock College are excited to be collaborating on an **Early College Cadre** for OAHS students starting in the 2022-2023 school year. The Cadre will begin with 30 ninth-grade students who commit to earning 60 AHC units on a pathway leading to an AHC Associate of Arts degree by the time they graduate from high school.

For more information on the Early College Cadre, including the timeline for enrollment, please view the recorded Zoom presentation available here:
