

Orcutt Academy Enrollment for 2023-2024 Information Nights & Campus Tours

The Orcutt Academy will begin taking online enrollment applications for the 2023-2024 school year on Monday, November 7, 2022. All prospective parents/guardians should attend a live **public information night** on the Orcutt Academy. At each of these nights, Academy staff will present information on the school and its two sites: Orcutt Academy High School and the Orcutt Academy K-8 campus. Staff also will describe procedures for the enrollment lottery and admissions.

For the convenience of prospective families, all of the Orcutt Academy’s information nights will be conducted virtually, via the Zoom platform for online meetings. Specific Zoom meeting links are posted below. We also have scheduled in-person tours of the OAHS and OAK-8 campuses in January.

Following is the schedule of events leading up to the February 8, 2023, enrollment lottery for the 2023-2024 school year. The deadline for enrollment applications is at 4:00 p.m. on Wednesday, February 1, 2023.
