

FEES AND CHARGES

The Governing Board recognizes its responsibility to ensure that books, materials, equipment, supplies, and other resources necessary for students' participation in the district's educational program are made available to them at no cost.

No student shall be required to pay a fee, deposit, or other charge for his/her participation in an educational activity which constitutes an integral fundamental part of the district's educational program, including curricular and extracurricular activities. (Education Code 49010, 49011; 5 CCR 350)

(cf. 3100 – Budget)

(cf. 6145 – Extracurricular and Cocurricular Activities)

As necessary, the Board may approve fees, deposits, and other charges which are specifically authorized by law. When approving such fees, deposits, or charges, establishing fee schedules, or determining whether waivers or exceptions should be granted, the Board shall consider relevant data, including the socio-economic conditions of district students' families and their ability to pay.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 0415 - Equity)

(cf. 3250 – Transportation Fees)

(cf. 3553 – Free and Reduced Price Meals)

(cf. 5143 – Insurance)

(cf. 9323.2 – Actions by the Board)

The prohibition against student fees shall not restrict the district from soliciting for donations, conducting fundraising activities, or providing prizes or other recognition for participants in such activities and events. The Superintendent or designee shall emphasize that participation of students, parents/guardians, district employees, volunteers, or educational or civic organizations in such activities and events is voluntary. The district shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student. The district also shall not remove, or threaten to remove, from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

(cf. 1321 - Solicitation of Funds from and by Students)

(cf. 3290 - Gifts, Grants and Bequests)

The Superintendent or designee may provide information or professional development opportunities to administrators, teachers, and other personnel to learn about permissible fees.

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

A complaint alleging district noncompliance with the prohibition against requiring student fees, deposits, or other charges shall be filed in accordance with the district's procedures in BP/AR 1312.3 - Uniform Complaint Procedures. (Education Code 49013)

(cf. 1312.3 - Uniform Complaint Procedures)

If, upon investigation, the district finds merit in the complaint, the Superintendent or designee shall recommend and the Board shall adopt an appropriate remedy to be provided to all affected students and parents/guardians in accordance with 5 CCR 4600.

Information related to the prohibition against requiring students to pay fees for participation in an educational activity shall be included in the district's annual notification of uniform complaint procedures to be provided to all students, parents/guardians, employees, and other interested parties pursuant to 5 CCR 4622.
