COMPREHENSIVE HEALTH EDUCATION

The Board of Trustees intends to promote the health and well-being of students and staff. Toward this end the Board is committed to provide for physical education, health services, nutrition services, a safe and healthy school environment, and involvement of parents/guardians and community members.

The Board of Trustees believes that health education should foster the knowledge, skills, and attitudes that students need in order to lead healthy lives and avoid high-risk behaviors. The district's health education program shall be part of a coordinated school health system which supports the well-being of students and is linked to district and community services and resources.
