Dear Parent(s)/Guardian(s):

Parent Signature:\_

The district needs your help in complying with the requirements of California's Public School's Accountability Act (PSAA). To accurately compare and rank all of California's schools, the state is **requiring** all districts to ask parent(s)/guardian(s) to assist with the information below. Please be assured, only group information will be reported. Individual confidentiality will be maintained. If we do not accurately reflect the information below, our schools could be falsely compared with other schools in the state. Your assistance will ensure the accuracy of all responses. It is the district's position that only you can accomplish this task.

The fields marked by an asterisk(*) are required.

## **OUSD Technology Acceptable Use Policy**

Orcutt Union School District (OUSD) believes staff and students should have open access to local, national and international sources of information. The goal of providing this access is to promote educational excellence by facilitating resource sharing, innovation, and communication. The District, by providing access to electronic services via the Internet, recognizes the potential of such services to support curriculum and student learning. While the Internet offers students and teachers access to a variety of information, the District recognizes misuse and abuse are possible. The District will make every effort to protect students and teachers from these misuses and abuses, but it is the responsibility of each user to continuously guard against inappropriate and illegal interaction with the electronic services. OUSD is taking all reasonable steps to ensure the Internet is used only for purposes consistent with teaching and learning.

Currently, OUSD student email accounts can only be used to communicate with students, teachers and/or administrators within the school site. All student emails are scanned for appropriate language. If an inappropriate word is identified, the email will be immediately forwarded to the principal. In addition, student emails are archived so that they may be retrieved at any time if there is a concern.

Students are responsible for all activity while accessing and utilizing the school's computer resources (devices and network). The safe and responsible use of the Internet is of utmost importance to the District. While at school, students are protected from potentially dangerous and inappropriate content through the District's network filter. The District does not provide these protections outside of the District. It is the parent/guardian's responsibility to supervise the information that a student is accessing from the Internet outside of the District network. Students must abide by the rules outlined in this document. Unacceptable conduct includes, but is not limited to, the following:

- 1. Using the Internet for any illegal activity, including violation of copyright or other contracts.
- 2. Vandalizing the data of other users.
- 3. Gaining unauthorized access to resources or entities.
- 4. Invading the privacy of individuals.
- 5. Using an account owned by another without authorization.
- 6. Posting personal communications without the author's consent.
- 7. Posting anonymous messages.
- 8. Placing unlawful information on a system.
- 9. Using abusive or otherwise objectionable language in either public or private messages.
- 10. Sending messages that are likely to result in the loss of the recipient's work or disrupting systems; for example, a computer virus.
- 11. Sending 'Chain Letters' or 'Broadcast' messages to lists or individuals, or other types of communication, which would cause congestion of the networks.
- 12. Using the Internet to send/receive messages and images, which are inconsistent with the District's curriculum and conduct guidelines. These include, but are not limited to, racist, sexist, pornographic, dangerous and obscene messages and/or images.

Orcutt Union School District makes no guarantee of any kind for the Internet service provided to the student. The District will not be responsible for any damages claimed or suffered by any child or parent relating to the use of the Internet. This includes the child's exposure to materials a parent otherwise would have a right of notice and/or consent to pursuant to state or federal law. Use of any information obtained via the Internet is at the students' and parents' own risk.

Orcutt Union School District believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages. But ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their students should follow.

School computer systems are for use by authorized individuals only. Any unauthorized access to these systems is prohibited and is subject to criminal and civil penalties. Individuals using these systems are subject to having all activities on these systems monitored by the system or school personnel. Anyone using these systems expressly consents to such monitoring. Prosecution and/or account termination may occur without warning.

It is possible for all users of the Internet (including your student) to access information intended for adults. Although OUSD has taken all reasonable steps to ensure the Internet connection is used only for the purposes consistent with the curriculum and instruction, the District or School cannot prevent the available, or even begin to identify, inappropriate material elsewhere on the Internet. Computer security cannot be made perfect, and it is likely that a determined student can make use of computer resources for inappropriate purposes.

## ACKNOWLEDGEMENT/AGREEMENT

We have read and understood all the guidelines and policies regarding the appropriate use of technology and internet at Orcutt Union School District. We acknowledge our responsibility in the care of the District issued device our student receives along with other curricular materials. We also accept that a breach of the District Technology Acceptable Use Policy may result in loss of network and/or device privileges and may be subject to disciplinary actions including suspension or expulsion. Messages or actions relating to or in support of illegal activities will be reported to law enforcement.

27, Chapter 6.5 of the California Education Code, beginning at Section 49060 et seq.; the California Information Practices Act (California Civil Code Section 1798 et seq.) and

Article 1, Section 1 of the California Constitution. Orcutt Union School District is an equal opportunity provider.

#### Who should I include in "Household Size"?

You must include yourself and all people living in your household, related or not (for example, children, grandparents, other relatives, or friends) who share income and expenses. If you live with other people who are economically independent (for example, who do not share income with your children, and who pay a pro-rated share of expenses), do *not* include them.

#### What is included in "Total Household Income"? Total Household Income includes all of the following:

- **Gross earnings from work:** Use your gross income, not your take-home pay. Gross income is the amount earned before taxes and other deductions. This information can be found on your pay stub or if you are unsure, your supervisor can provide this information. Net income should only be reported for self-owned business, farm, or rental income.
- Welfare, Child Support, Alimony: Include the amount each person living in your household receives from these sources, including any amount received from CalWORKs.
- Pensions, Retirement, Social Security, Supplemental Security Income (SSI), Veteran's benefits (VA benefits), and disability benefits: Include the amount each person living in your household receives from these sources.
- All Other Income: Include worker's compensation, unemployment or strike benefits, regular contributions from people who do not live
  in your household, and any other income received. Do not include income from CalFresh, WIC, federal education benefits and foster
  payments received by your household.
- Military Housing Allowances and Combat Pay: Include off-base housing allowances. Do not include Military Privatized Housing Initiative or combat pay.
- Overtime Pay: Include overtime pay ONLY if you receive it on a regular basis.

#### How do I report household income for pay received on a monthly, twice per month, b-weekly, and weekly basis?

- Determine each source of household income based on above definitions. Households that receive income at different time intervals must annualize their income as follows:
  - If paid monthly, multiply total pay by 12
  - o If paid twice per month, multiply total pay by 24
  - o If paid bi-weekly (every two weeks), multiply total pay by 26
  - o If paid weekly, multiply total pay by 52
- Add all annualized pay together to determine the total annual household income entered in Part II, 2.

If your income changes, include the wages/salary that you regularly receive. For example, if you normally make \$1,000 each month, but you missed some work last month and made \$900, put down that you made \$1,000 per month. Only include overtime pay if you receive it on a regular basis. If you have lost your job or had your hours or wages reduced, enter zero or your current reduced income.

For additional information on Household Size and Gross Household Income, please see the Eligibility Manual for School Meals on the U.S. Department of Agriculture Guidance and Resource Web page at <a href="http://www.fns.usda.gov/cnd/guidance/default.htm">http://www.fns.usda.gov/cnd/guidance/default.htm</a>.

#### Dear Parent or Guardian:

To make sure your child is ready for school, California law, *Education Code* Section 49452.8, now requires that your child have an oral health assessment (dental check-up) by May 31 in either kindergarten or first grade, *whichever is his or her first year in public school*. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other licensed or registered dental health professional.

Please take the attached Oral Health Assessment/Waiver Request form to your dental office, as it will be needed for your child's check-up. If you cannot take your child for this required assessment, please indicate the reason for this in Section 3 of the form. You can get more copies of the necessary form at your child's school or online from the California Department of Education's Web site at http://www.cde.ca.gov/ls/he/hn/.

California law requires schools to maintain the privacy of students' health information. Your child's identity will not be associated with any report produced as a result of this requirement.

The following resources will help you find a dentist and complete this requirement for your child:

- 1. Medi-Cal/Denti-Cal's toll-free number (1-800-322-6384) or Web site (<a href="http://www.denti-cal.ca.gov">(http://www.denti-cal.ca.gov</a>) can help you to find a dentist who takes Denti-Cal. For help enrolling your child in Medi-Cal/Denti-Cal, contact your local social service agency at (805) 681-4401.
- 2. Healthy Families' toll-free number (1-800-880-5305) or Web site (<a href="http://www.healthyfamilies.ca.gov">http://www.healthyfamilies.ca.gov</a>) can help you to find a dentist who takes Healthy Families insurance or to find out if your child can enroll in the program.
- 3. For additional resources that may be helpful, contact the local public health department at (805) 345-7333 or www.sbcphd.org

Many things influence a child's progress and success in school, including health. Children must be healthy to learn, and children with cavities are not healthy. Cavities are preventable, but they affect more children than any other chronic disease.

If you have questions about the new oral health assessment requirement, please call: (805) 938-8934 or visit the California Dental Association's website at: www.cda.org.

Sincerely,

**Health Services** 

#### **Oral Health Assessment Form**

California law (*Education Code* Section 49452.8) says every child must have a dental check-up (assessment) by May 31<sup>st</sup> of his/her first year in public school. A California licensed dental professional must do the check-up and fill out Section 2 of this form. If your child had a dental check-up in the last 12 months, ask your dentist to fill out Section 2. If you are unable to get a dental check-up for your child, fill out the separate Waiver of Oral Health Assessment Requirement Form.

This assessment will let you know if there are any dental problems that need attention by a dentist. This assessment will also be used to evaluate our oral health programs. Children need good oral health to speak with confidence, express themselves, be healthy and, ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of California's children.

#### Section 1: Child's Information (Filled out by parent or guardian)

Child's First Name:		Last Name:	N	1iddle Initia	al: Ch	ild's Birth Date:

*Check "Yes" for Caries experience if there is presence of untreated decay <u>or</u> fillings Check "No" for Caries experience if there is no untreated decay <u>and</u> no fillings  Section 3: Follow-up to Urgent Care (Filled out by entity responsible for follow up)										
Parent notified that child has urgent dental care need on: MM – DD – YYYY										
A follow-up appointment for this child has been scheduled for: $MM - DD - YYYY$										
Did child receive neede	d treatment?	Yes No (If no, entity responsi encouraged to check	ble for follow-up will be k back in with parent)							
☐ I don't know										

The law states schools must keep student health information private. Your child's name will not be part of any report as a result of this law. This information may only be used for purposes related to your child's health. If you have questions, please call your school.

Return this form to the school *no later than* May 31st of your child's first school year.

Original to be kept in child's school record.

#### REPORT OF HEALTH EXAMINATION FOR SCHOOL ENTRY

To protect the health of children, California law requires a health examination on school entry. Please have this report filled out by a health examiner and return it to the school. The school will keep and maintain it as confidential information.

If your child is unable to get the school health check-up, call the Child Health and Disability Prevention (CHDP) Program in your local health department. If you do not want your child to have a health check-up, you may sign the waiver form (PM 171 B) found at your child's school.

## LEGAL REQUIREMENTS FOR ADMISSION TO TK-KINDERGARTEN

# TK-Kindergarten students will be eligible to start school when the following certifications/requirements have been met:

- ✓ To enroll in TK, the child must be born between September 2, 2018 and April 2, 2019
- √ To enroll in Kindergarten, the child must be 5 years of age no later than September 1<sup>st</sup>
- ✓ Parents must provide the child's birth certificate
- ✓ Up-to-date immunization records must be verified by the school personnel
- California law requires the following immunizations for entering TK-Kindergarten students. If your child has not met the immunization requirements, call your child's physician for an appointment.

#### Polio

4 doses – 3 is acceptable if one was given after 4th birthday

#### • Diphtheria, Tetanus, and Pertussis

5 doses – 4 is acceptable if one was given after 4<sup>th</sup> birthday

#### • Measles, Mumps, Rubella (MMR Vaccine)

2 doses; 1st dose must be on or after 1st birthday; 2nd dose before TK-Kindergarten entry

#### Hepatitis B

3 doses before TK-Kindergarten entry

#### Varicella

2 doses before TK-Kindergarten entry

If your child's immunizations are incomplete, please contact your primary care physician.

The Santa Barbara County Public Health Department administers immunizations

to uninsured families by appointment only.
